

A photograph of a modern, white, minimalist building. The building features a large, curved glass window that reflects the sky and the surrounding environment. In the foreground, a young girl in a black and white patterned dress is playing with a pink ball on a green lawn. The building has sharp, angular lines and a clean, white facade. The sky is a clear, bright blue. The overall aesthetic is clean, modern, and minimalist.

**Supple curves complement
harsh corners at the Playful House.
Bill Henson locates the *exotic*
in the everyday. And Melanie
Katsalidis lives a mix of
*jewellery, art and architecture.***
